

KARMELA RANI TRAINING COLLEGE KOLLAM

Student Council

The college union also known as the college student council is an elected body of students. It is dedicated to advancing leadership and democratic practices among students. Activities sponsored by the college union give students the chance to develop their interpersonal and academic cooperation skills as well as their ability to serve others. The chairperson, vice-chairperson, general secretary, magazine editor, secretary of the arts club and sports club, one university union council member, and two female representatives make up the college union. The principal appoints a presiding officer and staff advisor to provide direction to the union elections and activities. By planning events and competitions each year, the Union, tries to bring out the best artistic and sports talents in the students. It aims to promote citizenship rights, obligations, and duties to college students. to encourage chances for students to enhance their sense of service, character, leadership, efficiency, and knowledge. It fosters athletics, the arts, and other extracurricular, cultural, educational, social, or leisure activities that support the holistic development of students.
